To Whom it may concern:

Please accept this letter of recommendation for the Meridien Companies. Reliance Construction Company has utilized Meridien on multiple projects over the past several years and they have proved to be a reliable and trust worthy company to work with.

The quality of their products have always met or exceeded our client's expectations and they have come through successfully each time we have purchased from them. There proven track record has made them our first choice in suppliers when we have to source materials "over-seas"

If you have any questions or would like to discuss Meridien's qualifications further, please feel free to contact me.

Respectfully,
